UNDER the +

≠ PURITANS

I believe we learn this best in the sacraments & acts of worship we do Together

IN BAPTISM, We celebrate TOGETHER the great Family of X & We promise to "walk together" w/ the new person in X

IN LORD'S SUPPER, We share in remembering w/ the Disciples the presence & work of X FOR US - "do this - TOGETHER - in remembrance of me"

IN WORSHIP We come together to praise & X & be in prayer & hear the WORD

IN DEATH, We come together to Mourn & commend our covenanted bro: sis to our Loving G

These are all RELATIONSHIP activities that influence how we will be w/ one another

They are invitations to COVENANT w/ G & WITH ONE ANOTHER to walk together in the ways of the LORD.
